A BARRIO DOGS’ HOLIDAY STORY: THE BOY WHO WAS AFRAID OF DOGS

At a recent educational event for 2nd graders at Benavidez Elementary...

We met a boy who was afraid of dogs. He kept a wary eye on visiting Barrio Dog Otis.

By the time we left, he had briefly petted Otis. He may still be afraid of dogs but he had a good experience with Otis. We hope it will help lead to a lifetime of friendship and trust.

Please continue to support our educational efforts; you can donate at barriodogs.org. To volunteer, contact us at info@barriodogs.org.
